Holding the 2020 Zone 8 Show in Conjunction with the 2020 OPHC Buckeye Bonanza Aug 22-23

The Zone 8 location needs to be changed from the original location in Shipshewana, Indiana due to scheduling conflicts with the facility. Should OPHC allow the Zone 8 show to be held during the Bonanza?

- Zone 8 committee wants to use an Equine Production to run the Zone 8 show. To avoid conflicts in the office, the OPHC would also need to use an Equine Production to run the Buckeye Bonanza.
- Additional costs also considered that would be incurred due to meeting Ohio's standards for COVID-19 guidelines i.e. Hold Harmless agreements, masks, cleanings, sanitary precautions
- If the Zone cannot be combined with the Bonanza, the Zone show may be held the weekend before the Bonanza
- Kathy Avolt, from An Equine Production, joined the conference call to answer questions about costs, staff, etc. Her company would be open to using some OPHC staff to reduce costs. Exited conference call.

- Motion to keep the Buckeye Bonanza as is, not allowing the Zone Show to be held in conjunction due to costs
